**HYATT HOTELS OF DALLAS/FORT WORTH ASSOCIATES VOLUNTEER WITH
GROUNDWORK DALLAS TO CELEBRATE HYATT'S INAUGURAL
GLOBAL VOLUNTEER INITIATIVE**

Volunteer Activity Coincides with Launch of Hyatt Thrive

DFW AIRPORT, TX (June 14, 2011) - In recognition of the launch of Hyatt Thrive, a newly introduced global corporate responsibility platform, Hyatt Regency Dallas, Hyatt Regency DFW and Grand Hyatt DFW are supporting the community by engaging in a volunteer day on Thursday, June 16 from 9 a.m. until 12 noon with Groundwork Dallas and the City of Dallas Trinity River Corridor Project.

As part of a Hyatt global volunteer initiative, 120 associates of Hyatt Hotels of Dallas/Fort Worth will be collecting debris along the Trinity River in order to improve the city's ecosystems. This volunteer day is a key tenet of Hyatt Thrive and part of Hyatt's inaugural global volunteer initiative, which brings Hyatt associates from around the world together in a common effort to volunteer in the communities where they call home.

Hyatt Thrive empowers over 85,000 Hyatt associates at more than 450 properties around the world to help communities do one thing – Thrive – by focusing on four areas: environmental sustainability; economic development and investment; education and personal advancement; and health and wellness.

“We are dedicated to the Dallas/Fort Worth community and our associates are honored to be a part of Hyatt's global volunteer initiative, working with Groundwork Dallas and the City of Dallas Trinity River Corridor Project,” said Larry Daniels, general manager, Hyatt Regency DFW. “Hyatt Thrive is a natural extension of Hyatt's mission, which is to provide authentic hospitality by making a difference in the lives of people we come in contact with every day.”

The volunteer work also coincides with a long-standing tradition of celebrating Hyatt associates around the world. Celebrating community and its people is a global demonstration of Hyatt's dedication to thriving communities where associates live and work.
